

Grant Program for Japanese Studies Projects Application Instructions

1. Objectives and Outline

To promote Japanese studies overseas, this program partially covers the costs of implementing Japanese studies projects held by overseas organizations.

2. Eligible Projects

- (1) Japanese studies projects (including online projects) implemented between April 1, 2022 and March 31, 2023, that fall under either of the below:
 - a. Research or conference on Japan; study or training in Japan; or publication that promotes and contributes to the development of Japanese studies;
 - b. Inviting scholars or researchers from Japan or third countries to deliver lectures on Japan;
 - c. Purchase of books and materials on Japanese studies;
 - d. Other relevant projects which would further promote and expand the horizon of Japanese studies.

* When requesting fund for multiple projects (e.g., a conference and library support), applicants are required to complete all mandatory application components for each project, and submit two or more applications separately.
- (2) Projects must fulfill the following requirements:
 - a. It must be impossible or difficult for the applicants to achieve the purpose of the projects without funding from the Japan Foundation.
 - b. The plan and method of implementation must be appropriate and there must be ample expectations that they will yield good results.
- (3) The proposals that fall under either of the below are not eligible:
 - a. Projects for religious or political purposes;
 - b. Commercial activities;
 - c. Activities in support of specific doctrines or claims;
 - d. Projects in the field of medicine, manual training or natural sciences;
 - e. Organization of or participation in sporting events and training;
 - f. Arts and cultural activities;
 - g. Goodwill exchanges;
 - h. Social welfare or international development projects;
 - i. Tourist-oriented programs;
 - j. Language education programs.

3. Eligible Applicants

- (1) Non-profit organizations (e.g., academic institutions from university level upwards or research institutions), except those in Japan and the United States of America, are eligible to apply. Applicants must meet the following requirements:
 - a. Applicants must have the appropriate capacity necessary for implementing the planned projects.
 - b. The receipt of grants or support from the Japan Foundation must not violate any local laws, regulations, or ordinances.
- (2) The Japan Foundation does not provide funding for:
 - a. Foreign governments (including their administrative organs, embassies, and consulates-general, but excluding educational, cultural, or research institutes, such as universities or museums);
 - b. International organizations that Japanese national government organs contribute to;

- c. Organizations based in countries that do not have diplomatic relations with Japan;
 - d. Japanese national government organs, local governments, incorporated administrative agencies, and local incorporated administrative agencies as well as organizations, institutions, and facilities attached to or established by them (excluding organizations with their own legal personalities, such as incorporated associations or incorporated foundations).
- (3) Points to be noted
- Organizations that have continually received support from this program for the past three fiscal years will not be provided with grants unless the Japan Foundation believes there is a compelling reason for them to continue receiving such support. This is a measure to avoid giving ongoing support to the same applicants, and to distribute grants to as many applicants as possible. If one does apply for a fourth consecutive fiscal year, low priority will be placed on such an application.
 - As for organizations in Taiwan considering application, please contact the Japan-Taiwan Exchange Association (JTEA), Taipei office. (The Japan Foundation cooperates with JTEA on Taiwan projects.)

4. Grant Coverage

- (1) Part of the following expenses incurred and paid between April 1, 2021 and March 31, 2022:
- a. Meeting expenses (for preparing materials, venues, equipment, public relations, etc.);
 - b. Honoraria (for lecturers, interpreters, assistants, collaborators, etc.);
 - c. Travel expenses (for international and domestic flights and other transportation, accommodation, per diem, etc.);
 - d. Other expenses (for purchasing materials, etc.).
- (2) The following elements are not supported by the Japan Foundation:
- a. Indirect costs;
 - b. Overheads of the administrative body of the institution (as well as salary for administrative staff);
 - c. Costs to purchase goods that may remain for a long time;
 - d. Costs related to land and buildings (excluding rental fees for facilities for the specific event of the project).
- (3) Points to be noted
- The grant amount will be decided upon consideration of each project's scale and necessity.
 - Grants made in the past years averaged around 900,000 Japanese yen, but the actual grant amount may be lower or higher than this amount. If requesting a much larger sum than this approximate average, the applicant should be prepared for two eventualities: (a) the project may be rejected since it is deemed to be beyond the resources the Japan Foundation has to support; or (b) the project may be supported but at a much lower level than requested.
 - Individual researchers who wish to conduct research in Japan should apply to the "Japan Foundation Japanese Studies Fellowship Program."

5. Selection Policy

- (1) Applications will be selected by comprehensively assessing the projects, including its contents, viability, relevance, efficiency, etc. The Japan Foundation also takes into account the regional and national distribution of its funding, and may appropriate accordingly, if need be.
- (2) Lower priority is given to:
- a. Projects wherein the total cost is sought exclusively from the Japan Foundation;
 - b. Projects based on existing partnerships, such as agreements between organizations and sister institution relationships.
- (3) A proposed project shall not be awarded multiple Japan Foundation grants.
